

How to Search for Arts and Science Courses

From your myZou Student Center, open “Schedule Planner” (it is a link just to the left of your schedule, under “Academics”).

In Schedule Planner, you can filter your search for classes that are in the College of Arts and Science by selecting “Change” next to Academic Groups.

Course Status	Open Classes Only	<input type="button" value="Change"/>	Academic Groups	All Academic Groups Selected	<input type="button" value="Change"/>
Campuses	All Campuses Selected	<input type="button" value="Change"/>	Instruction Modes	All Instruction Modes Selected	<input type="button" value="Change"/>
Sessions	All Sessions Selected	<input type="button" value="Change"/>	Locations	On-Campus

You can unselect all options, then check the box next to “College of Arts and Science”, then click Save.

Select Academic Group

- Select All Academic Groups
- Ag, Food & Nat Resources
- College of Arts and Science

Now, all of your course searches in Schedule Planner will only find ones in A&S!
